

Taste and see that the LCRD is good;
Blessed are they who trust in Him.
Psalms 34:8

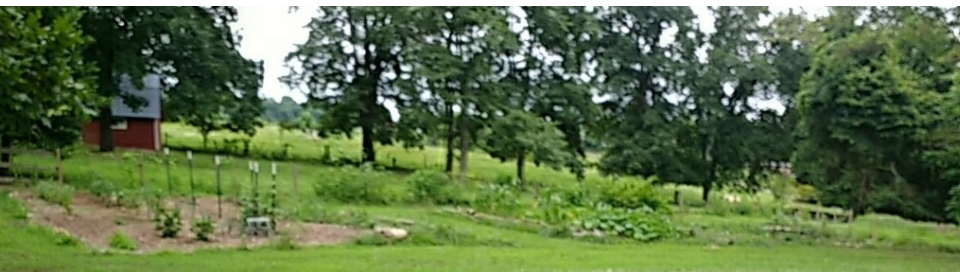

Shaggy Maple Homestead

Gardening Workshop Series

May 11, 2019 • June 8, 2019 •

July 13, 2019

1455 Governor Circle, Talbott, TN

SUSTAINABLE GARDENING

Saturday
July 13, 2019
10:00 AM

We'll discuss how to set up a sustainable growing system utilizing animals, heirloom seed saving, and rotational/succession planting

JOIN US IN SPRING 2019 FOR A SERIES OF WORKSHOPS

Our Journey into sustainable agriculture began in 2012. Since then, we have taken charge of our health by eating whole foods grown sustainably on our land with minimal effort and high yield. These workshops are designed to share our knowledge and experience gained in the process and enable you to enjoy the same financial freedom and health in gardening endeavors!
